Today, in advance of IWD and our sixth birthday campaign at [She Breaks the Law](#), we want to honour some Legendary Lawbreakers.

We've been busy reading the amazing nominations received from all over the world over the last 4 weeks for our Changemaker campaign. Through this process, we've had the privilege of rediscovering some truly extraordinary individuals whose impact on gender equity in law transcends the ordinary.

These are the giants whose shoulders we stand upon. The changemakers whose paths we aspire to follow. The visionaries who remind us of what's possible. Today, we want to honour our Legendary Lawbreakers – the ultimate trailblazers who have reshaped the legal profession and set the path for others to follow.

These pioneers are:

- [Dana Denis-Smith OBE](#) (UK)
- [Gali Baharav-Miara](#) (Israel)
- [Michele DeStefano](#) (USA)
- [Lata Setty](#) (USA)
- [Sultana Tafadar KC \(King's Counsel\)](#) (UK)

No spotlight series could truly do justice to the depth and breadth of their contributions that have fundamentally altered the landscape for women in law.

We're absolutely thrilled to acknowledge and celebrate these [#LegendaryLawbreakers](#) as we prepare to celebrate She Breaks the Law's 6th anniversary and International Women's Day 2025!

While our upcoming IWD 2025 initiative will focus on our SIX selected change-makers (stay tuned to meet them!), today we wanted to take a moment to recognise these legendary figures whose impact continues to ripple through our profession.

Join us in celebrating the incredible legacy they continue to build! 🙌

Thank you so much for this honor — I am thrilled to be included with an impressive group of women!! I couldn't have been included here in this list if it weren't for [Anita Ritchie](#) the trailblazing director of [LawWithoutWalls University of Miami School of Law](#)
